DM summarised the 2020-2021 year in which the GEMG Conference was the main focus and event. It was held at the Goldfields Arts Centre for the first time and we had approximately 315 attendees despite the difficult circumstances that the Global Pandemic had presented. DM stated that the overwhelming majority of the attendees had a great time at the Conference and that we received some good feedback and learnings from the new venue. DM stated that his main goal was for the Committee to have a good time and thought that we had all come together as a team and had achieved this.

### *GENERAL BUSINESS / DISCUSSION*

#### **EBM Insurance**

Kristy Bodycoat raised that we had received our Insurance Renewal Package from EBM Insurance and asked the attendees if they would be happy to skip going through the large amount of paperwork at the meeting and allow the Executive Committee to review and action the Insurance on behalf of the GEMG.

Majority in favour. No Objections.

#### **Funding Round – Rewilding the West**

Kristy Bodycoat raised the previously committee approved and budgeted Rewilding the West Project to the Attendees. KB stated that the committee had approved a \$10,000 sponsorship of the Project and that the Project was on track to be completed in April / May 2022. KB has sent GEMG Logos to Riggs Australia and noted that we were one of the Major three Sponsors alongside Friends of the Western Ground Parrot and the Gilberts Potoroo Action Group.

KB stated that the Project organiser had asked for a letter of support from the GEMG stating that we are sponsoring the Project, in the aims to secure a Grant from Screen West. All present at the meeting were in favour of providing a letter of support and there were no objections.

KB will complete the Letter of Support and communication of the project will be ongoing in the future months.

#### **Christmas Parties**

Dylan mentioned the two up-coming Christmas Parties in Perth and Kalgoorlie for the GEMG. The Perth Party will be on Friday 19<sup>th</sup> November at the Aviary and the Kalgoorlie Party will be on Friday the 26<sup>th</sup>

of November at the Piccadilly Hotel. Dylan encouraged everyone to attend and support the events. Children are welcome at the Kalgoorlie Christmas Party. Everyone was also reminded to renew their GEMG memberships to take advantage of the free events. Otherwise, the cost of attending for a non-member is \$30.

### **Budget**

Stuart Pearse mentioned that it might be wise to reflect on the budget and 2023 GEMG conference keeping in mind the recent fall in iron ore markets and uncertainty about future Chinese resource demand due to the poor financials of Evergrande and other Chinese property developers. Eren Reid mentioned that the budgets are to be completed again and has been tasked with himself and Kristy Bodycoat. This is ongoing. Kristy Bodycoat mentioned that the cost analysis had previously been completed on the Conference and that a minimum amount of \$100,000 must be kept in the Bank account at all times to make sure we can cover upfront costs of the Conference. Bi-Annual Budget of \$100,000 was previously calculated (\$50,000 per year excluding Conference) and hence the Conference Ticket prices this year were increased in the aim to maintain a profit margin to cover these costs.

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Goldfields Environmental Management Group (the association), which comprises the Statement by Members of the Committee, the Income and Expenditure Statement, Statement of Financial Position as at 30 June 2021, a summary of significant accounting policies and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the association as at 30 June 2021 and [of] its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the Associations Incorporation Act 1991.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of Associations Incorporation Act 1991. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Associations Incorporation Act 1991 and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

# Goldfields Environmental Management Group

## Auditors Report

---

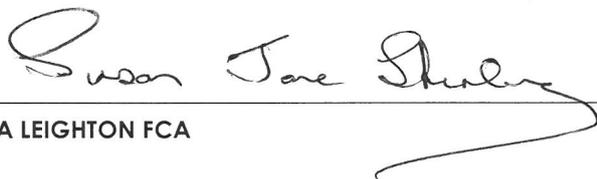

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Signed on : 10 September 2021

### Note 1: Summary of Significant Accounting Policies

#### Basis of Preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act . In the opinion of the committee the association is not a reporting entity because it is not reasonable to expect the existence of users who rely on the association's general purpose financial statements for information useful to them for making and evaluating decisions about the allocation of resources.

The financial report has been prepared in accordance with the Associations Incorporations Act , the basis of accounting specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101: Presentation of Financial Statements, AASB 107: Cash Flow Statements, AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors, AASB 1031: Materiality and AASB 1054: Australian Additional Disclosures.

The association has concluded that the requirements set out in AASB 10 and AASB 128 are not applicable as the initial assessment on its interests in other entities indicated that it does not have any subsidiaries, associates or joint ventures. Hence, the financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards.

The association has not assessed whether these special purpose financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards.

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

#### (a) Accounts Receivables and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

#### (b) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

## Notes to the Financial Statements

For the year ended 30 June 2021

### **(c) Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

The association has applied AASB 15: Revenue from Contracts with Customers (AASB 15) and AASB 1058: Income of Not-for-Profit Entities (AASB 1058) using the cumulative effective method of initially applying AASB 15 and AASB 1058 as an adjustment to the opening balance of equity at 1 July 2019. Therefore, the comparative information has not been restated and continues to be presented under AASB 118: Revenue and AASB 1004: Contributions.

#### **Interest Income**

Interest revenue is recognised using the effective interest rate method.

All revenue is stated net of the amount of goods and services tax (GST).

### **(d) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

### **(e) Trade and Other Payables**

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.
